Key Issues in Energy and Natural Resources

**Speaker: Terry Brunner, State Director to U.S. Senator Jeff Bingaman,
Chair of the Energy and Natural Resources Committee of the U.S. Senate.
Thursday, August 9, 11:45 a.m. Luncheon Wyndham Hotel 2910 Yale Blvd. SE**

For the last six years, Terry Brunner has served as the State Director to United States Senator Jeff Bingaman (D-NM) where he oversees the Senator's New Mexico activities and manages the Senator's five district offices. Prior to working for Senator Bingaman, Terry worked in local government as a Policy Analyst for the Santa Fe County Commission and assisted National Association of Counties President, Javier Gonzales. Mr. Brunner earned

his Bachelor's degree in Latin American Studies from the University of Arizona and his Master's in Latin American Studies from the University of New Mexico.

Terry will talk about Senator Bingaman's legislative priorities, especially in the area of energy and natural resources. As Chairman of the Energy and Natural Resources Committee of the U.S. Senate, the Senator will be a key player in determining U.S. policy in these crucial areas.

Cost of the Luncheon is \$15, payable at the door. Reservations are required. To make your reservation, call the League office at 884-8441 by Monday, August 6. At that time, please tell us if you prefer a fruit plate.

Save September 15, 11:00 a.m.- noon, to attend a membership event. We have reserved the auditorium of Immanuel Presbyterian Church, 114 Carlisle Blvd, SE, to hold a salad lunch.

It will be a great opportunity for us to socialize with one another and to tell residents of Albuquerque, Rio Rancho, Placitas, Corrales, Los Lunas, Sandia Heights, Tjeras, Edgewood, Mountainair, Belen, and Bernalillo about the League of Women Voters.

Most people tell us that they joined League because someone asked them to come to a League event. Bring someone with you—neighbors, friends, members of your family!

Make and bring that wonderful salad recipe that serves about eight to ten to share with our members and those in the community who might be interested in joining League. We ask the members who can help set out tablecloths, napkins, plates, silverware, and drinks to arrive at 10:30 a.m. (The tables will be set up by the church). Please call JoAnne Ramponi at 298-2716 to let her know that you will bring a salad and whether you can help set up and clean up after the luncheon.

Your participation is important! We want as many of our members to share in this event as possible. We have not had an official membership drive for several years. We look forward to bringing back this fall event that we had for many years in the past. Mark your calendars now for Saturday, September 15!

VOTERS' GUIDE Needs Volunteers

We are hard at work on the *2007 Municipal Voters' Guide* and anticipate needing proofreaders the week of August 20-25 and many members to help with the distribution September 5 or 6.

Please sign up at the office to help-- 884-8441.

President's Corner

In June I traveled to Washington, DC, for the LWVUS Council meeting. Council is held in the odd-numbered years, always in Washington, as opposed to Convention, which is held in even-numbered years in various locations around the country. Council is much smaller because it consists of just two voting delegates from each state League and members from Big City, Capital City and Inter-League Organizations. I attended as a Big City League member, and Cheryl Haaker and Kathy Campbell, LWVNM President, attended as the two delegates from New Mexico. There were 122 of us in attendance. The primary objective of Council is to pass the budgets for the next year. There were also reports on LWVUS projects, such as the Immigration Study and the Membership Recruitment Initiative.

I had attended one LWVUS convention previously but never a Council meeting. To be honest, I had mixed feelings about the experience. Cheryl will give you her impressions of the plenary session elsewhere in this issue. I will say that LWVUS President Mary Wilson did a fine job in running the plenary session smoothly and on time. There were a couple of excellent speakers, Eleanor Holmes Norton, non-voting U.S. Representative from the District of Columbia, and Ray Suarez of PBS, and a very good panel of experts on immigration.

From my perspective, the most beneficial aspect of this experience was the opportunity to meet and talk to members from other Leagues around the country. There was a networking session for local League presidents to exchange ideas and a panel discussion regarding the running of the League at all three levels. I picked up some ideas that we may try here in Albuquerque. I also found out that approximately 60% of state Leagues have part-time paid staff and a number of large cities have paid staff as well.

My disappointments? I continue to feel that LWVUS does not provide enough in the way of support for operating a local League. A local League president must be concerned largely with the details of running an organization, which is basically a small business. Assistance with such things as working with volunteers, running an office, putting together a plan, working with a nominating committee, etc., are not easily obtainable from LWVUS. I had an opportunity to sit down and share this with the national staff person who handles field support, and she was receptive, but I did not feel that others in our discussion groups understood this concept. Because the local League is the foundation upon which the entire organization is built, I feel it is imperative that we be strong and function well at the local level. Maybe someday I will have some success at getting my point across to others, and LWVUS can be of more assistance.

In the meantime, folks, LWV/ABC looks good and does not have many of the problems other Leagues are facing. We can thank a strong and supportive membership for that. Enjoy the rest of your summer.

MY FIRST LWVUS COUNCIL

This June I attended my first LWVUS Council as a voting member of the New Mexico delegation. The program ran from 9 a.m. to 9 p.m., with relatively short breaks, which we used mainly to meet one another. I took 16 pages of notes, two pages of "to-dos," and three folders of supplementary information which I am still reading.

I attended the workshop "Safeguarding US Democracy: Promoting an Independent Judiciary by Defending the US Constitution," which included a 12-minute video on DVD. (If you'd like to borrow this DVD, it will be available in the LWV/ABC office.) This, and the other supplementary materials, were part of the US bar association's "Least Understood Branch" project. We were urged to work with our local bar associations to inform the public of its rights and the importance of the judiciary.

Another workshop, "Next Steps in Election Reform," discussed problems in election administration and some possible solutions. Attendees offered the experiences that had worked for them. We look forward to the results of LWVUS's ongoing study of why people don't vote, an update of the 1990's study. There were also excellent presentations, including a panel discussion on immigration, an issue on which the League plans to reach consensus this year. The video of that discussion is on the [lwv.org](http://www.lwv.org) website or can be downloaded as a pod cast.

To find out more about LWVUS Council, go to <http://www.lwv.org>, log in, then "For Members," then "Council&Convention," "Council 2007."

LUNCHEON NOTICES

Following our monthly luncheons at the Wyndham Hotel, we are charged for the number of reservations we make on the Tuesday morning preceding the luncheon. That number becomes the minimum, and we are obligated to pay for all those lunches even when some people do not show up.

For years we have published a notice in the *VOTER* that reservations are due in our office by the Monday before the luncheon and that "If you do not attend and have not canceled by the deadline, you will be billed for the cost." We have not, however, sent bills to those who do not show up. Because if this, unfortunately, we often lose money on the luncheons.

Beginning with the August luncheon we will send reminders to those who make reservations but do not come to the luncheon or do not cancel by the Monday deadline. We know people become ill or conflicts arise, but we hope that all of you understand that, no matter the reason, the hotel will still charge us for your lunch. We also know that, if reminded, you will gladly pay for the cost of your lunch.

Thanks for your understanding of this situation. Our objectives are to avoid paying out more money than we receive, while trying to keep the cost of the lunch as low as possible.

Diane Goldfarb

CALENDAR PLANNING

On June 16 twenty-one LWV/ABC members participated in calendar planning. We thank all who attended and helped develop the calendar.

In this *VOTER* is a copy of the calendar for the 2007/2008 member year, a member directory update, and the list of the new officers, directors and committee chairs. Please put these pages into your hot pink *2007 Member Handbook* that was published in early December, 2006. If you have not received a copy of your handbook, call JoAnne Ramponi at 298-2716. She will make sure one is sent to you.

IN MEMORIAM

Bill Heckman

For almost 20 years we were able to count on the happy smile of Bill Heckman as he helped Marilyn Cooper with League events that they hosted at their home or at the office of Homes by Marilyn. Several years ago he decided that it was now time for him to become a member of the League and no longer be on the outside looking in. He attended the luncheon unit and many other events. Our sympathy goes out to Marilyn and their family.

Frances Leiding

Frances was a 45-year member of League. She looked forward to the day she would be added to our lifetime membership. Frances could be counted on to work in the office, help with voter registration, help with units and anything else needed over the years to keep League running. Her smile and her positive outlook made her a wonderful person with which to work. She will be missed. Our sympathy goes out to her family.
